

**Conclusion and Analysis of Ten-Year Facilities Plan**

In conclusion, the Middleton School District #134 ten-year facilities plan details their strategy for proactively maintaining and building new facilities. Effective plans reflect the vision and mission of the organization, including assessment of all of the facilities, incorporating the perspectives of the stakeholders and a focus on measures that ensure that the capitol investment is responsibly managed.

The District's overall analysis is that this plan will contribute to both the instructional and financial well being of the Middleton School District and their community.
